"Children are the most precious gift G-d has given you - a new life, as unmarked as fresh snow, and you have been blessed with the opportunity to nurture, protect, and teach your child, so that the child becomes a productive and good human being."

- The Lubavitcher Rebbe

My Journey

"My Journey" is a folder that enables parents to track their children's progress and development. This is a lovely opportunity to create a booklet for your child, including photos and your child's art work.

Experienced early years educators will be available to review your child's progress and support you in identifying 'next steps'. Bring your My Journey Folder to every session.

Letter in Sefer Torah

Does your child (under Bar and Bas Mitzvah) own a letter in a Sefer Torah?

Have the sofer write a letter in the Torah just for you!

You will receive a beautiful personalized certificate from the Children's Sefer Torah office in Israel telling you in which portion of the Torah "your" letter has been written.

Please come to reception for a form or go to www.kidstorah.org

Evaluations

Have you attended more than three services at Lubavitch Children's Centre? If you have we would love to know your views, opinions and ideas about our services by taking part in our children's centre evaluation. Please approach staff in stay & play to book an evaluation session with one of our members of staff. Remember your views count!

Save the Children Grant

We will be able to support parents with an income lower than £16190 to apply for the Eat Sleep Learn & Play Grant.

Once we have seen evidence of income, and you have told us what you need, we will arrange a home visit to establish what items your family might be eligible for to support your children to eat, sleep, play and learn better.

We will prioritise home visits according to the level of need.

Ofsted

Lubavitch Children's Centre was inspected by Ofsted in July 2014. We are proud to announce that we received a GOOD rating.

The report said:

Good quality activities help children and parents to enjoy learning together.

The centre works well to meet the needs of children and families comprising its predominantly orthodox Jewish community.

Exceptionally high levels of care, guidance and support are provided by the centre to families in contact with them.
